Richard Dolan and Joseph P. Farrell discussing an array of subjects that all tie together in the world of geopolitics – UFOs (including related Nazi history), what might be going on in Antarctica, the evolutionary changes of humanity, the possibility of genetic cousins, trillions of dollars funneled into a hidden system of finance, the rogue state, where a secret space program might be going, and Putin and deep knowledge of 9/11.

Dr. Joseph P. Farrell's book: [Hess and the Penguins: The Holocaust, Antarctica and the Strange Case of Rudolf Hess](#)
