[Dafna Tachover](#) is an attorney and former telecoms specialist for the Israeli Defence Force.

*Dafna Tachover is director of the Children's Health Defense 5G & Wireless Harms Project. She is an attorney in both New York and Israel, has an MBA and is the founder of We Are The Evidence, an advocacy organization for the protection of the rights of the many people who have been injured by wireless technology radiation.*

*She has a technology background including in wireless networks and infrastructures from her service in the Israeli Defense Forces as a telecommunication and computers officer and the commander of the computer center of the IDF's Operations Center and of its headquarters.*

She recently sued the US government for ignoring safety studies surrounding the current 5G rollout.

And [won](#).

*The U.S. Court of Appeals for the D.C. Circuit court ruled the Federal Communications Commission failed to provide a reasoned explanation for its determination that its current guidelines adequately protect against harmful effects of exposure to radiofrequency radiation.*

Dafna spoke to me about wireless technology, from wifi to

bluetooth to 5G, explaining the dangers and harm it all causes.
