

Asking the Blood Bank About Vaccinated and Unvaccinated Blood Donors

[Asking the Blood Bank About Vaccinated and Unvaccinated Blood Donors](#)

by [Jeremy Nell](#), [Jerm Warfare](#)

September 1, 2021

Video available at Jerm Warfare Odyssey channel.

A Jerm Warfare trooper called the South African National Blood Service and asked about whether or not there's a difference between vaccinated and unvaccinated blood donations.

They said that there is no difference, but that they separate vaccinated and unvaccinated blood.

Which means that there is indeed a difference.
