Police have blocked roads, but no sign they'll try to shut it down.

“F*** the jab!” was shouted at the Union boss as he exited the building.

Hearing Setka just walked out of the CFMEU offices for the first time today to group chanting of "fuck the jab", "stand up or stand down" with some members throwing \$5 notes at him yelling "sellout". Yikes.

The crowd gathered to protest the strict regulation on various union industries requiring Covid vaccination under threat of losing their jobs. They are the same restrictions facing private industry.

Furious, the protesters heckled Setka as he emerged to confront them. Among the accusations were those claiming that Setka is ‘owned by Victorian Premier Daniel Andrews’ after he failed to fight the premier on Covid regulations. Setka was barely able to get a word in under the tirade of abuse.

“Dan Andrews’ b***!” was also shouted along with, “Sell out!”

Looks like John Setka has made new friends too..

Oh yell, John “It is what it is.” [#CovidVictoria](#)

Victorian Police have not treated CFMEU union protesters with the same brutality shown to Freedom Day protesters on the weekend.

Huge crowd of union members and no cops.

Maybe because there’s no 70-yr-old women in the crowd to bash. pic.twitter.com/Auzr54lDRG

There has been no explanation offered regarding the different approaches in policing by the Commissioner.

Where are the police fining them, arresting them, moving them along with batons, capsicum foam and pepper bullets?

Oh, right. It's John Setka's CFMEU, million-dollar donors to the ALP. [#ProtectedSpecies https://t.co/ZhjF7u2yyS](https://t.co/ZhjF7u2yyS)

The protest comes less than a day after Victorian Daniel Andrews released his unpopular roadmap out of Covid.
