In light of recent events, I am re-releasing Episode 228 of the podcast, **How To Become A Billionaire (and what to do with it)**.

Just as I recently updated the 2008 [Medical Martial Law](#) podcast with [Medical Martial Law 2020](#), so, too, will I have to update this 2012 exploration of The Bill & Melinda Gates Foundation with information on its activities over the past eight years.

I am calling on The Corbett Report community to help me compile information and sources for such a podcast. This is an open source investigation into Bill & Melinda Gates, their foundation, associated agencies and organizations like the WHO, GAVI, CEPI, etc., and the subject of global health and vaccine technology.
