Ben's big Intel Dump:

1. Over 4,000 NLAWs delivered to war zone. (anti-tank guided missiles)
2. Smuggling routes, one closed for Ukraine general staff.
3. New improved Stinger delivery with night vision capability – will help decrease Russian air supremacy
4. UK sharing intelligence with Kiev (and Nazi battalions)
5. UK is moving naval assets into the Black Sea
6. UK planning naval provocations in the Black Sea
7. UK planning next stage of NATO involvement to include direct confrontation with Russia.
