Canada's Constitutional Rights Centre: Your Rights to Decline a Vaccine in the Context of Employment

Your Rights to Decline a Vaccine in the Context of Employment

by <u>Constitutional Rights Centre</u> August 23, 2021

Constitutional Rights Centre, In view of current events on mandatory vaccination policies throughout our employment sector(s), both public and private, the CRC is re-publishing our video on your rights to decline a vaccine in the context of employment, which was posted March 8, 2021.

The discussion in this video equally applies to Universities and Colleges and their vaccination policies.
