Pastor Artur Pawlowski has been issued a warrant for his arrest because he dared to stop some gestapo thugs from illegally entering his church!

Last Easter weekend the mafia’s enforcement arm arrived unannounced at Pastor Pawlowski’s church and he let them know in epic fashion that are not welcomed there! 3 week later the jackboot thugs arrived again attempting to “serve” the Pastor and after he refused a judge decided it was time to send in the toughs to shake the pastor down.

In this video Dan Dicks of Press For Truth covers the latest Covid-19(84) gestapo news out of Calgary and also the UK where Pastors are being arrested under what can only be described as spiritual warfare!
