“We are fighting the biggest war of our life! This is a spiritual war! Our lives depend on this! We have to unite!” – “Rasta High Chief” David Smit

On September 18th, RAIR Foundation USA joined thousands of Canadian patriots marching for freedom in Ottawa, marking yet another weekend of resistance to brutal coronavirus lockdowns and the ever-increasing tyranny from Prime Minister Justin Trudeau and his allies.

“Stand strong and do not comply!” declared a speaker with the organization [Police on Guard for Thee](#). “Refuse to disclose your vaccination status!” shouted activist Chris Sky. “Don’t let anyone intimidate you,” a retired police officer told the crowd, who sang “Oh Canada”.

“We are fighting the biggest war of our life! This is a spiritual war! Our lives depend on this! We have to unite!” declared the “Rasta High Chief” David Smit. As Chris Sky reminded the freedom-fighters, one does not vote one’s way out of tyranny. Citizens need to say no.

As reported at RAIR in an [updated thread](#), Canada's federal election will be held on Monday. Just like in America, it is anticipated that voter fraud will be prevalent enough to push Trudeau into victory.

Chris Sky Gives Rules to Stop the Vaccine Passports

During his speech, Chris Sky discussed a [powerful statement](#) by the Niagara police:

“We stand behind you. We stand beside you. And if you need us to, we will stand in front of you. Discrimination has no place in Niagara, Ontario, or Canada. We took an oath to uphold the Charter of Rights and Freedoms and respect everyone in this Country which thrives in diversity and inclusivity. We hear you, and we are here for ALL of you.”

Sky also gave his “Rules to Stop the Vaccine Passports”:

- Do not reveal your vaccination status.
- It is your “duty...to get fined,” Sky said. “If everybody...did that, there would be no vaccine passport within a couple of days.”

If brave Canadians decide to follow Chris Sky’s rules, record the entire exchange and post on social media.
