*I bought myself a politician  
Cause I have never said I'd play it fair  
They're currently on sale  
Just picked them up from Yale  
They're even cheaper if you take a pair*

*And on a whim I also bought the opposition  
It's better to be safe, you never know  
And then for even less  
I also bought the press  
To wrap it up and I was good to go*

*Who would have thought that no one dared to stop me on my  
joyride*

*(Oh what a joyride)*

*Who would have thought that I could bring the whole world to  
its knees*

*And now the time has come to buy my way into the limelight*

*(just got the time right)*

*As universal scientist and generous philanthropist  
my shopping list confirms my expertise*

*I bought myself a politician  
Cause I have never said I'll play it fair*

*If they are not on sale  
I pick them up from jail  
It doesn't hurt to have a few to spare*

*Who would have thought that no one dared to stop me on my  
joyride*

*(Oh what a joyride)*

*Who would have thought that I could bring the whole world to  
its knees*

*And now the time has come to buy my way into the limelight  
(so I can shine bright)*

*As universal scientist and generous philanthropist  
my shopping list confirms my expertise*

*If you look closely you can see I'm on a mission*

*There's something that I really wanna do*

*I'm promising you health*

*I'll save you from yourself*

*That's how I'm gonna try*

*To get you to comply*

*Might even have to lie so that you will let me buy you too*
