## Compassionate Water (The Great Bell Chant)

Compassionate Water (The Great Bell Chant)

## The Great Bell Chant

by Thich Nhat Hanh

May the sound of this bell penetrate deep into the cosmos

Even in the darkest spots living beings are able to hear it clearly

So that all suffering in them ceases Understanding comes to their heart And they transcend the path of sorrow and death.

. .

The universal dharma door is already open

The sound of the rising tide is heard clearly

The miracle happens: a beautiful child appears in the heart of a lotus flower

One single drop of this compassionate water is enough To bring back the refreshing spring to our mountains and rivers.

. .

Listening to the bell I feel the afflictions in me begin to dissolve

My mind calm, my body relaxed

A smile is born on my lips

Following the sound of the bell

My breath brings me back to the safe island of mindfulness In the garden of my heart, the flowers of peace bloom beautifully.

One hour version for meditation:
