Quote from J. Edgar Hoover, shared by Willem during the interview:

"The individual is handicapped by coming face-to-face with a conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realization of the evil which has been introduced into our midst. It rejects even the assumption that human creatures could espouse a philosophy which must ultimately destroy all that is good and decent." ~ J. Edgar Hoover

Excerpts from Dr. Eric Karlstrom's words:

"...power doesn't care about truth. Power doesn't need to care about truth. Power wants power. And the CIA has always been all about power and has served the power elite. In [realpolitik](#) – okay, what is realpolitik? Realpolitick is [Machiavelli](#) – might makes right, the ends justify the means, divide and conquer, you have to lie to the people... Well, the CIA runs America. It certainly has since they killed Kennedy in 1963..."

"It doesn't matter if there's only one person in the world who understands the truth. The truth is still the truth... The heart of the scientist, the mind of the scientist is fundamentally

different from that of the political scientist or the political operative.”

“The US military industrial complex is the elephant in the room and, of course, they serve Wall Street and the City of London power structure – who, as we dig deeper, these are the psychopaths, the pedophiles, the people who do all the really rotten things. So, we have a big problem... What they are enforcing now with the vaccines and the mask mandates is slavery – world slavery – which has apparently always been the goal...”

And, of course, this has to be resisted at every cost... Better to be dead in a fight than to have a whole series of vaccines which turn your body into something that is connected to the Pentagon cloud – and that your every move and every thought is monitored and controlled by the elite. This is what’s coming down.”

“The CIA wrote a memo in 1962 saying we want to control the weather. And, of course, this is what has happened. The geoengineering, weather warfare, weather modification has been a series of black projects to a large extent, but not all black, since WWII – really pioneered by the Brits and America. And the geoengineering allows – and then even Lyndon Johnson, President Lyndon Johnson, said I think in ’64 or ’65: ‘Who controls the weather, controls the world.’”

And so, what we have is a push underneath the surface by the CIA, and the military planners and their corporate buddies to control all aspects of humanity, civilization, the external and the internal environments. With the MKUltra – ‘let’s control the internal environment for our advantage’. With the weather control – “let’s control the external environment’.”

“The global warming fraud has morphed over time...

We really don't know the average temperature of the earth because it's impossible to measure the average temperature of the earth – because it's always warming and cooling somewhere, and it's changing every second. But still this whole field is rife for fraud and misrepresentation.”

“It became then relevant and obvious to me and my students that what we had here was the political corruption and cooption of a whole body of sciences including biology and climatology and earth science...

In order to believe the man-caused-global-warming fraud you have to basically throw everything we know out about earth science.”

“In other words, the computer model becomes the reality in the minds of the politicians and the media – and fuels then these political agendas which, again, tend towards one world government and enslavement – and loss of national sovereignties, individual sovereignties. So, it's a tragedy. And we saw it with the climate fraud that billions were poured into this fraud over a long period of time...

Why should people trust science – if our science is so bogus, is so bad? And the same thing now is happening with the biosecurity state, the medical emergency – the non-emergency that we have here, listening to people like Fauci and Birx and what not. I mean these people are charlatans. They're liars. They're criminals. They're thieves. “

“Our scientists, our psychologists, our cognitive researchers, our neuroscientists – they’re committing crimes against humanity – against us. Their science is being used by the military intelligence corporate complex against humanity.”

“Catherine Austin Fitts calls this committee that runs the world ‘Mr. Global’. We have to identify Mr. Global and take him out. Permanently. We have to take out Mr. Global. And, of course, Mr. Global has his fingers in every institution. But we can still do it. As long as there’s life, there’s hope, you know.

And I think, you know, the resistance we saw in Washington, DC yesterday is an indication of what we’re going to see. I think we’re going to see – hopefully, we’re going to see continued resistance.”

World Economic Forum's 'Covid Action Platform': a Full Blueprint for Roll Out of the New World Order

[Covid Action Platform; the Blueprint of the New World Order Explained \(Video\)](#)

by Willem Felderhof

April 3, 2020

Sorry to share this one but the New World Order is not a conspiracy theory anymore, it has become a conspiracy fact and we are now living under the firm rule of it. Whether you like or agree with it or not. But as bad as it may look at this moment, the current conditions will be like paradise if you see what the plans for the coming future are.

It is now or never for humanity to step up to the plate, this is what we have been talking about for the last decades.

WE must not let this ultimate crisis go to waste and act.

The World Economic Forum, acting as partner to the World Health Organization, is rolling out the New World Order agenda for total control over all aspects of human and animal life on this planet after the Corona reality reset.

While Agenda21/2030 paved the way, the Corona psyop is the real trigger to unleash this diabolical plan and the World Economic Forum has presented the COVID Action Platform in which it lays out in gross detail what the plans are.

And clearly this extensive blueprint was produced way before the so-called outbreak of the Corona virus in December 2019.

FEMA whistleblower Celeste Solum breaks down the COVID Action Platform for you, watch and share this shocking but important video:

[Editor's note: Willem Felderhof's YouTube channel was censored. Below, please see our mirrored copy of the video at [Truth Comes to Light Bitchute channel](#).]

LOWLAND'S LOGOS

Angel Brain & Charlie Bass

The Aerotoxic Syndrome

WWW.REVISIONMEDIA.ORG

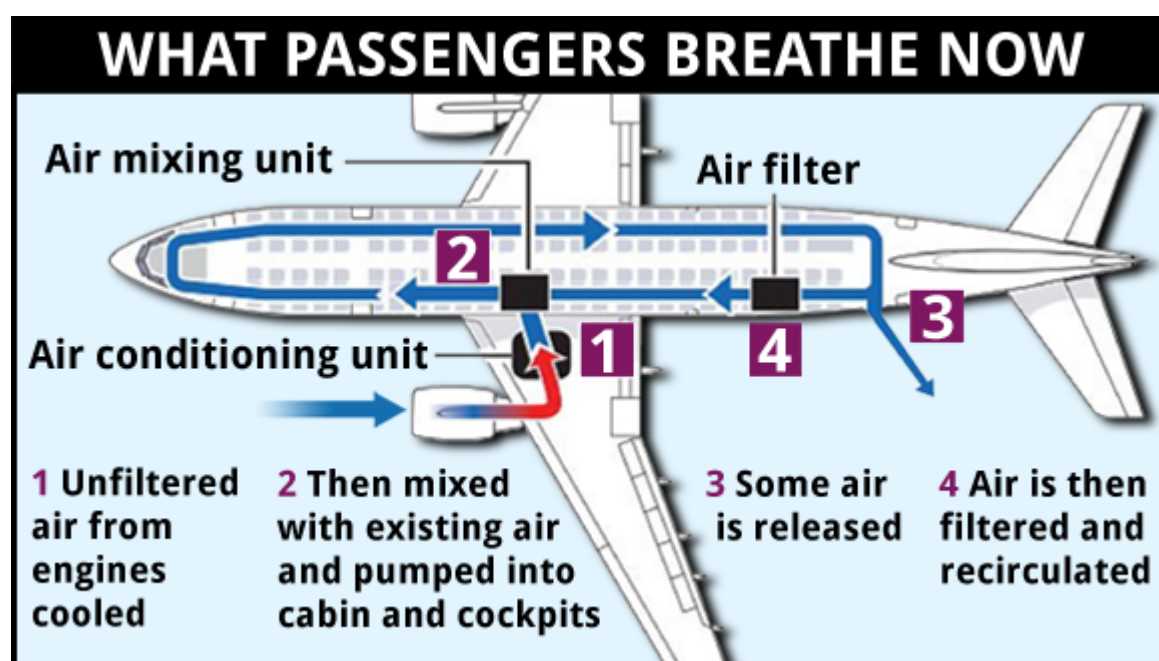

The subject of Aerotoxic Syndrome we are going to discuss today has been the starting point for me to start my activism. It was driven by a deep feeling of betrayal which is for most of us the drive to step up the plate and say NO enough of this. This feeling of betrayal serves as the necessary trigger to come into action whatever the cause might be.

Most people who work in aviation do their job because they love what they are doing, their dedication for the job comes from the heart. Maybe therefore many people who are affected by the exposure to neurotoxins in the contaminated air they breath in while performing their beloved job choose to ignore this unpleasant reality. Maybe it is the love for their job that has made them more attached to it which made it more difficult to speak out against this insidious corporate crime.

What is Aerotoxic Syndrome?

A supply of pressurized air is required by humans to sustain life at high altitude. This air is supplied direct from the compressor section of the jet engine and is known as 'bleed

air'. Unfiltered bleed air is mixed inside the aircraft with recirculated cabin air at a ratio of 50/50. Although the recirculated is subsequently filtered, all of the bleed air which originates from the jet engines is unfiltered. Jet engines operate at higher temperatures and therefore use synthetic chemicals as oils. "Wet seals" are used to keep the oil and bleed air apart, but these seals are designed to leak, which allows small amounts of oil to be detected in the bleed air. Furthermore seals, like any mechanical component, slowly wear out and their efficiency then gradually declines, thus allowing more and more oil into both the cockpit and cabin air.

The seals can also suddenly fail resulting in visible fumes and/or smoke entering the cockpit and cabin – this is known as an 'oil fume event', but recently termed an 'odour event' by the authorities and manufacturers who are eager to distract attention from a fundamental design flaw. The engine oil contains 3-5% organophosphate additives as anti-wear agents. The oil becomes partially decomposed, i.e. chemically altered ('pyrolysed') due to the extremely high temperatures in the jet engine.

Exposure to contaminated cabin air affects individuals in different ways with both short and long term ill health, based on many factors:- levels and types of toxic chemicals present during an oil fume event (which may be visible or invisible) and occur on any flight, previous exposure history to contaminated air, genetic make-up, age, medical condition and potentially any medication being taken.

Those who have been subject to toxic oil exposure normally complain of headaches, breathing difficulties, muscle aching and exhaustion. Those who suffer full Aerotoxic Syndrome Symptoms where repeated exposures of toxic chemicals attack the central nervous system (CNS) which controls all of the major organs in the body – symptoms are mainly neurological but are many and varied. Aerotoxic Syndrome is frequently misdiagnosed and mistreated by doctors unfamiliar with a hidden cause of poisoning and then mistreated with anti-depressants and other drugs.

Today I am joined by 2 special guests Angel Brain and Charlie Bass who are both affected by, and active in the Aerotoxic arena.

Angel Brain is a former senior air stewardess in service with Gulf Air, Bahrain from 1993-1995. She was grounded and forced to resign in 1995, due to unexplained ill health. With no explanations from her employer Gulf Air, as to what had caused this serious ill health. This led to her search for the answers and her voluntary involvement in helping to expose the truth, that has been concealed by the airline industry for over six decades. Angel is the British protagonist featured in [the award winning and most controversial documentary 'Unfiltered breathed In -The Truth about Aerotoxic Syndrome'](#). Angel is also the foundress of [Flightoxic International](#) which is part of the global campaign for the recognition of Aerotoxic Syndrome to be registered as an occupational hazard and environmental disease. The aim and the on-going campaign's goal is to raise public awareness, as well as provide

information and assistance for air passengers and aircrew who have been affected by Aerotoxic syndrome.

Charlie Bass has 15 years' experience as an aircraft engineer in the Royal Navy Fleet Air Arm, so he has a full understanding of aircraft operational systems.

Charlie is fully qualified in nuclear, biological and chemical defense, biological nerve agents, and their effects on the human body.

Appointed by a Secretary of State in the UK to the OFCOM advisory council which is the independent body overseeing the activities of the UK's communications regulator. He is offering first hand experience as to how an industry regulator, the industry it regulates and government operate/collude for mutual benefit, which reflects exactly what is happening today within the aviation sector and the Civil Aviation Authority (CAA)/European Aviation Safety Agency (EASA) governments and airlines.

Following the death of his son, [British Airways aircrew Matthew Bass in January 2014](#), Charlie has been actively campaigning on the toxic cabin air front, spending four years in a legal process with Matt's coroners hearing, which acted as the catalyst for Unite the Union based in the UK which Matt was a member of, to take up Matt's case and 120 other case by those affected by contaminated air. Taking the airlines and CAA to court, this is in progress now.

I want to dedicate this show to Matt Bass, Richard Westgate and all fellow airline crew members who paid the ultimate price for doing what they loved to do most but were affected by the willful exposure of neuro and carcinogenic toxic compounds in the contaminated air that is still present in aviation today as we speak.

Zen Gardner: 2 Years Later, I Am Still Wondering...

[Zen Gardner: 2 Years Later, I Am Still Wondering...](#)

“Truth does not waver ever, only our perception does. And it is our moral obligation to align our perceptions with truth so that our gained wisdom can manifest itself as moral right action.

###

“If a person who is considered to be a good, moral, loving, spiritual, creative, and inspirational brother overnight turns into an immoral, bad, hateful, evil and deceptive monster; can both of these opposite perceptions of reality be based in truth? No, it can't because truth is unwavering, definite and objective. Our perceptions are not unwavering, and need to be aligned with truth as much as possible. That is our moral obligation towards the Universe.

###

“What I do know is the objective, definite difference between right & wrong behavior. Not because of my feelings, intuition, sense of resonance, or any other fluffy inter-dimensional expression of consciousness, but because of knowledge of the principles of the laws of morality.”

~ Willem Felderhof

Zen Gardner 2 Years Later, I Am Still Wondering...

by [Willem Felderhof](#)

August 5, 2018

For anyone who cares about the truth regarding the sidelining and subsequent inquisition of Zen Gardner two years ago, please take the time to read the (complete) following open letter I sent to Bernhard Guenther regarding the whole issue. I feel it is important to understand what happened back then because it reveals the nature of many unsolved and unacknowledged psychological issues in so called truth communities which also plague society in general. WF

Dear Bernhard,

I hope you are doing well. Maybe you do not remember who I am as it is already two years ago that we had some email exchange following the publication of some articles on your website regarding the coming out of Zen Gardner. But maybe you do remember.

Anyway, in one of your articles, you speak brilliantly about false resonance and refer to sincere self work:

“False resonating is mistaken for wishful thinking or based on (unconscious) projections or triggers. Sometimes, the false part within us based on conditioning, programming, and wounding resonates with something which we mistake for our true self, resulting in false resonance, or we reject the truth of something because it challenges deep ingrained belief systems we are identified with and hence “don’t resonate with it” because it brings up uncomfortable feelings... which also ties into cognitive dissonance.... In other words, honest sincere self-work is needed in order to detect the lies we tell ourselves and all the

rationalizations and denial that come with it so we can get more and more in tune with our soul resonance/knowing."

When I saw some pictures passing by of you, Max and Benny recently I couldn't help wondering how much time you guys spent on self-reflection on how you dealt with the "Zen Gardner issue" that you launched on the internet and into the cosmos 2 years ago.

I also wondered in what way the grammar that you applied back then to come to the logic you then shared on the internet has changed and evolved into more knowledge and more in alignment with truth as time went by.

As Max stated on his YouTube channel to his followers back then: "We need a calm investigation before we go and have a lynching as any case needs a trial before a possible lynching and we have a lot of questions to be answered." Besides the implementations of such an outrageous statement, I wonder in which phase that investigation is now, two years later, and how many questions have been asked and answered.

The lynching that Max referred to happened anyway and is actually still going on even though the whole thing helped many people with their personal healing process which might be outside of your range of vision. As emotions calmed down over time, proper reasoning set in which made introspective self-reflection possible and many people concluded that things were not really dealt with in an objective and responsible way.

People who really did care about the truth regarding the whole issue put real effort to get in touch with Don/Zen. They tried to establish that contact not only during the period that he was in the line of fire after all hell broke loose and could not meet up with ridiculous self-righteous deadlines, but also AFTER the insane tsunami of attacks

passed by. They came to a very different perception of the reality than people who did NOT put effort in trying to get in contact with him.

Yours and others' rhetoric on the internet back then served as a trigger for a lot of stimulus-response driven clicktivists to react in ignorant and immoral ways that caused a lot of harm. This is the main reason for me to write to you as this will not magically go away by itself or by deleting things online. The way this was dealt with and why this was extremely harmful, irresponsible and wrong needs to be faced, deeply understood and lived through, if evolving consciousness is truly intended and desired.

Ignoring unpleasant truths is one of the causal factors of why we do not see any significant improvements in the collective human condition we co-create by the behavior we choose with our Free Will. Realizing truth, so that we can align our perceptions and our actions with it, is most effective through an apophatic process. So, in the Zen Gardner case it is much more effective and powerful to address the things you and others did NOT do. Namely establishing contact with Don/Zen in REALITY. All justifications for not having direct contact or not engaging in determined efforts to try to establish real contact when things calmed down still do not change the reality that there was no direct contact one bit.

Truth does not waver ever, only our perception does. And it is our moral obligation to align our perceptions with truth so that our gained wisdom can manifest itself as moral right action. Moral right action would be something like the publishing of an expression of a changed perception on the D/Z reality due to evolving consciousness as a result of ongoing filtering of truth from lies. Because of the total lack of such a statement or expression, can I conclude that your perceptions on the way you dealt with the D/Z situation are unchanged like a rigid 19 hijackers

narrative?

Does the lack of any such public expression mean that you consider most things you did, and more important did not do, were in line with truth, or that you still think you had the right to perform your actions in the way you did back then, based on the perceptions you then had? Or that your actions did not cause any harm to other beings?

Or do you consider you were in the wrong in any way with your actions and/or lack of action due to revised perceptions? If so, it would be right to share this revised perception with all the people you shared your earlier rhetoric with.

If not, I urge you to read the assessment below by the late Dr. Paul Marko who shortly before his death felt the urge to serve the truth by giving his view as an expert on the subjects that surrounded the allegations levied against Don/Zen.

If a person who is considered to be a good, moral, loving, spiritual, creative, and inspirational brother overnight turns into an immoral, bad, hateful, evil and deceptive monster; can both of these opposite perceptions of reality be based in truth? No, it can't because truth is unwavering, definite and objective. Our perceptions are not unwavering, and need to be aligned with truth as much as possible. That is our moral obligation towards the Universe.

Whether you like it or not, Don/Zen himself still is the embodiment of Truth regarding the whole issue, as he alone knows what did happen and what did not happen and how and why his consciousness perceived and manifested the realities at that time. He is the only true primary source in that respect. Excluding extensive study of primary source data and experience in the process of coming to

conclusions leads not only to ignorance and confusion; it will lead to fallacious and feeble logic. Fallacious logic leads to harmful rhetoric/action because it is based in lies and deception. Primary source data and experience with the primary source of truth means direct contact with D/Z in this case. The time and energy spent in gathering, processing and assessing primary source data is directly proportional to the level of care to seek Truth.

Considered in that light; how much time and energy did you spend in trying to get in direct contact with Don/Zen in the years that went by to get more data that could lead you to evolve your consciousness...and thus more alignment of your revised perception of reality with truth? Back then the notion was brought up that soon evidence would pour to the surface and the truth will speak for itself. I did not see any evidence come up on sexual child abuse or any direct evidence of the kind against Don/Zen as of yet, but maybe due to your research and/or investigation as Max called for, you have gathered some. I am most interested in evidence-based information so please share.

The respective article you posted is deleted from your website. What does that mean? It does not stop the ongoing damage it caused. Is there not any change of logical reasoning as a result of weaving out more contradictions and inconsistencies? This fallacious processing of information again, as I referred to in my email from over 2 years ago, is the exact working principle of the mainstream media, used to mold the minds of the masses.

The extensive contact I had over the last 2 years with Don in which we spoke about his time in the COG and the whole aftermath it caused did not provide me with significant inconsistencies or contradictions in my reasoning from where I could change my perception of Don. On the contrary, I consider him still as one of the most genuine, compassionate, loving and honest human beings I ever met.

The wisdom he applies to deal with this immoral, and unjust reality is remarkable, it confirms my perception of his being I had before all of this. I can only have deep respect for the way he uses his own traumatic experiences for self-work purposes to evolve his consciousness and be able to better serve humanity and the Universe itself.

But again, I am very interested in evidence based information that you gathered as a result of the articles you posted back then.

I myself, like most people, spent most of my life in cults. I served as a green beret in the Special forces in the military which is an ultimate cult of evil because it is entirely built on violence, abuse and trauma based mind control to engineer its members to engage in immoral and harmful behavior without being able to apply one's own conscience. After that I was a member of another cult system for 21 years that willfully exposes its members to nerve gas components and other toxins which causes unimaginable harm and suffering. That cult is deeply involved in numerous other immoral activities and it took me more than 20 years to leave that cult and speak out against it. Most of its current members (about 10,000) know the reality but ignore it because they are driven by deep fear like in all other cults. That cult was a major airline company where I worked as a commercial airline pilot for 25 years.

A cult is a fear-based system of religious veneration and ego-devotion which espouses erroneous beliefs that are dangerous, especially to the lives, rights and freedoms of those who are NOT its members. What is your cult?

One of the most difficult, unpleasant, and important tasks for humanity to change the ever-deteriorating collective human condition is to become aware that our society in general is a fear-based cult system built on numerous sub-

cults. Even more difficult but essential is our moral obligation to admit that we ourselves were duped and are part of a cult and that we were wrong. To dismiss a member of a notorious cult like the COG when speaking out, without even consulting in depth or even a second with him, is a clear indication of a deep lack of Self knowledge, Self respect, Self love and lack of wisdom. For me it was a confirmation of the absolute lack of spiritual responsibility and wisdom in so called awake communities. All the so called big shots in the "alternative truth cult" kicked their brother Zen Gardner and all associations with his work off the steaming square wheeled truth-train without having spoken one word with him. Another huge and precious chance for real change wasted all for the greater good of the "truth warrior" community that so much cares about its important responsibilities towards humanity. Well, most of humanity apparently.

But hey, who am I and what do I know? I do not have a brilliant way of speaking or writing. What I do know is the objective, definite difference between right & wrong behavior. Not because of my feelings, intuition, sense of resonance, or any other fluffy inter-dimensional expression of consciousness, but because of knowledge of the principles of the laws of morality. And the way you and others dealt with the Zen Gardner issue was wrong, immoral, spiritually childish and irresponsible.

I hope this will be dealt with, not for Zen, not for me, but for the Truth itself.

I wish you, and anyone who has read this, much wisdom in processing this information in order to come to a perception of reality that is more aligned with Truth.

With love,

Willem Felderhof

Parents: The Most Loyal Agents for the Torture Control Matrix

[Parents: The Most Loyal Agents for the Torture Control Matrix](#)

by [Willem Felderhof](#)

February 20, 2017

Following absurd and fake disorder labels like ADHD and ADD, the ignorant "mental specialists" recently invented another pseudo diagnose called ODD (Oppositional Defiant Disorder). In other words anyone who still has the natural, and thus normal, inherent reflex of opposing any form of evil. Let it be crystal

clear; the real patients here with a disorder are not the children but the ones making the fake diagnoses and are doing the toxic prescription jobs. These agents of death are nothing less than order followers because they as well have a neo-cortex that is in an imbalanced, or total shut down mode. Otherwise they would apply their knowledge and conscience and refuse to commit these immoral actions.

What we are witnessing here is a relentless mind control assault on a precious and highly gifted generation that is being neutralized in the global war on humanity and consciousness.

That might sound charged and cause some unpleasant emotions, but it still is the Truth. The armies of pseudo psychologists, scientists, and youth workers that are labeling and poisoning the tsunami of children with psychological "problems" have been mind controlled into a severe brain imbalanced and fragmented mental state themselves as a result of their own common core style dumbing down programming.

Symptoms in hell diagnosed as disease

Even more shocking is that the facilitators and with that the causal factors of this massive emotional and physical child abuse are the presumed guardian angels of the child; the parents. In this time of information they willfully ignore the fact that their child is showing symptoms that are absolutely normal reactions from the exposure to the multidirectional assaults on their minds. It might sound strange to unaware parents or left brained "specialists" but living in a microwaved, immoral, toxic, torture society or in short, HELL, can cause some side effects. These are NORMAL and need not be treated but used for the understanding process of the causal factors.

Before attacking the messenger here; I speak from knowledge and experience as a father, and as a former ADHD/ADD/ODD "patient". My youth was destroyed like most of us because my

parents served as agents themselves and the cycle repeats on and on. I was kicked out of all the schools I went to and had (still have) extreme difficulties with "authority". And of course I took it on myself because I was labeled as a problem child. The result; self-loathing, fear disorders, addictive behavior; the complete six flags fun package.

50 years later I more and more understand how normal I am. What a waste.

Refined mind control for the final stage

So I decided that this would never happen to my child, but I failed. I could not avoid and protect my son going through a similar kind of hell because the social engineers have refined their sick programming to unimaginable levels. Luckily my son is blessed with a powerful spark of consciousness, just like so many of his fellow generation members, but he is still battling on getting his mind back.

The vicious mind control attacks by killing any aspect of Morality and Truth with disgusting and relentless dumbing down tv programming, satanic computer gaming, or empty drugs, sex and alcohol driven "social" activities have largely demolished the sacred masculine and feminine aspects of Willpower and Care in the next generation.

When my son did not go to school, and for very good reasons, we were forced to look for "help" in the Dutch youth care. What we experienced there during that period was literally sickening. What I found there were numerous pseudo psychologists who do not know anything about human consciousness, EMF radiation, nutrition, the workings of the brain or the physical body in general, and most of all know nothing about the devastating health effects of the compulsory Nazi/Marxist model "education" system with it's outcome based education (OBE) doctrine.

And yet despite this blatant ignorance on all levels, these

infant pseudo psychologists have the “authority” to prescribe the most disgusting types of medication in this “health” swamp.

In the Netherlands alone more than 100.000 children are zombified by mind & body poisoning medication regimes. And in other countries it is even worse.

Most of the children (and their parents) do not have a strong free Will to reject that madness and are completely at the mercy of the agents of the satanic control system. Ignorant parents and pseudo psychologists are enforcing the identification of the child with their so-called problem, thereby pushing the child further into an engineered structural state of psychological stress and self-loathing.

Willfully ignorant parents are evil parents

Any parent, who still continues to offer their children to these mind destruction factories without any significant resistance, is willfully facilitating the destruction of the authentic true Self and mind of his/her child. The compulsory “education” system is nothing less than a worldwide network of concentration campuses for mind destruction. The extent of the mind destruction of our youth is also reflected in increased rates of mental illness, suicide, violent crime, and further child abuse. Suicide in the Netherlands amongst youngsters between the age of 18 till 25 is the number one cause of death. Not a word about the effects of the education system of course. But again, it is the parents who willfully dump the pure beings of consciousness in these conveyer belt zombie factories, despite the overwhelming evidence that is in the open today for anyone who CARES, of what exactly the current education system is, where it comes from, who created it and for what reasons and most important; what the dramatic effect on the children is.

Child Abuse in the Classroom

[John Taylor Gatto](#) is a well known former school teacher who taught in the classroom for nearly 30 years. He devoted much of his energy to his teaching career, then, following his resignation, authored several books on modern education, criticizing its ideology, history, and devastating consequences. He is best known for the underground classic *Dumbing Us Down: the Hidden Curriculum of Compulsory Schooling*. He was named New York City Teacher of the Year in 1989, 1990, and 1991, and New York State Teacher of the Year in 1991.

He states in an article under the title "The Public School Nightmare, that ALL compulsory education systems are copied from the Prussian 19th century system with the objective to produce:

- 1) Obedient soldiers to the army;
- 2) Obedient workers to the mines;
- 3) Well subordinated civil servants to government;
- 4) Well subordinated clerks to industry;
- 5) Citizens who thought alike about major issues.

The 7 lesson teacher

In another article Gatto confesses to being "the 7-lesson schoolteacher." To keep his job as a teacher he is compelled to teach the seven lessons:

Confusion. Gatto admits that everything he teaches is out of context.

Class position. Children must know their place and stay in the class where they belong. "The children are numbered so that if any get away they can be returned to the right class."

Indifference. "Nothing important is ever finished in my class nor in any class I know of."

Emotional dependency. Gatto says that he teaches children to surrender their will to the chain of command, using “stars and red checks, smiles and frowns, prizes, honors and disgraces.”

Intellectual dependency. The most important lesson. Children must wait for the expert authority to make all the important decisions, to tell them what to study. There is no place for curiosity, only conformity.

Provisional self-esteem. Because it is so difficult to make self-confident spirits conform, children must be taught that their self-respect depends on expert opinion. They must be constantly tested, evaluated, judged, graded, and reported on by certified officials. Self-evaluation is irrelevant – “people must be told what they are worth.”

You can't hide. Children are always watched. No privacy. People can't be trusted.

According to Gatto, these are the consequences of the seven lessons:

- The private Self is almost non-existent; children develop a superficial personality borrowed from TV shows.
- Desperate dependence.
- Unease with intimacy or candor; dislike for parents; no real close friends; lust replaces love.
- Indifference to the adult world; very little curiosity about anything; boredom.
- A poor sense of the future; consciousness limited to the present.
- Cruelty to each other.
- Striking materialism.
- The expectation to fail; the idea that success has to be stolen.

Only moral right action embodies awakening

The evidence of the disastrous effects of the destruction of the minds and the abuse on multiple levels as a result of the “education” system is overwhelmingly present and in the open, as are the effects of the EMF’s, vaccines and the rest of the weapons used on our children and ourselves. It is really a choice to stay ignorant of the facts and ignorance in the presence of information is evil. Even more so, if one is informed and aware of the information but does not follow up on those dynamics in consciousness with actions based on Truth and morality, then that is the refusal of the arisen moral obligation to act upon ones thoughts feelings and emotions based on fear.

If there was such a thing as a global awakening visible we would have seen a massive and exponentially growing number of global disobedience, especially by parents who protect their children as a result of their knowledge, and actions accordingly. Because it is not the knowledge that is the measure of wisdom, it is solely the actions or lack of, that determine the quality of the manifestation of any awakening. And we don’t see a massive shift like that happening in society. Only in the minds.

The engineered happy slave

The ongoing fear based obedience and belief in authority of the parents globally have produced the rise of “new” human beings that were largely “raised” by the state-run trauma based mind control education factories, television/computer, and “pop” culture. They have been conditioned by these systems to behave in ways that are complacent, immoral, compliant, unquestioning, unthinking, and narcissistic.

They absorb huge amounts of television programming and/or computer gaming, consume poisonous genetically modified foods, are obsessed with escapist pursuits, conduct only vapid, inane conversations, and express an extreme lack of concern or interest in real world issues.

If they are confronted with someone who questions authority or addresses immoral behavior they will react either with apathy, aggressively, or will collectively ridicule the person that is expressing the normal moral behavior. The fear of being different is engineered through the compulsory education system that enforces traumatic abandonment issues by creating further separation from the parents, and through television programming and other media tools. The new human beings are the absolute dream of the social engineers.

Sacrificing the false ego identified self for Truth and Morality

Fact is that we already live in a fully operational fascist socialist system. When I was Gestapo style interrogated together with my son and his mother by a NAZI style youth police officer because my son did not go to school, I was again confronted with that harsh reality. The aggressive female police officer asked my son if he really thought that he was smart enough to judge for himself whether he should take medication or not while just being at the age of 16 at that time.

Might it be possible that the millions of drugged and zombified sensitive and gifted ADHD/ADD and ODD labeled children are in fact an army of potential rebels for morality and real freedom, and who can still act from conscience and the sacred dynamics of Care and Willpower to help save humanity from yet another downfall? It is time for the parents to grow up, become an adult and take responsibility and more important; appropriate ACTION.

There is a war going on against YOU, accept it, get over it and act accordingly. Our children have waited way to long and we have a moral obligation to make up for the decades of being in a state of apathy and obsessed with self serving trivialities while the dark occultists, the social engineers, had the time of their life.

WE have facilitated the almost complete manifestation of their dream of irreversible total control in a pitch dark world order by our own ignorance and lack of Care and Willpower. WE must sacrifice everything for the rest of our lives until we see REAL freedom and REAL order coming into manifestation. We must save the highest gift of the Universe to humanity, our Free Will, from extinction. If only for our children and the World.

Social Engineering in the West; the Shutting Down of Human Consciousness

[Social Engineering in the West; the Shutting Down of Human Consciousness](#)

by [Willem Felderhof](#)

December 15, 2016

"The conscious and intelligent manipulation of human behaviors, thoughts and opinions is the primary element in

society. Those who hold the knowledge and manipulate these unseen mechanisms in society constitute the invisible government and are the true rulers of humanity. We are governed, our minds are molded, our tastes are formed, and our ideas are suggested, by men we never heard of”.

The above quote was made by Edward Bernays in 1928. He was referring to then already highly effective forms of mind control programs that humanity was subjected to in the manipulated 3 dimensional control matrix as we still know it. Close to a century later and with the help of numerous think tanks and institutes that serve the ruling elites like the Tavistock institute, mind control techniques have been refined to unimaginable levels, where humanity is on the brink of becoming fully robotized and ready to serve in the new world order, without even knowing it. Anyone who claims not being under the influence of social engineering/Mind control or is not aware of it at all, is clearly lost and does not have a clue what is going on in their manipulated minds and therefore they do not understand what is going on around them as well.

Following quote by [überpsychopath Zbigniew Brzezinski](#):

“The technotronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values. Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities”.

Now bear in mind that this statement was made almost 50 years ago and think about the endless technological possibilities the psychopathic social engineers have access to today. Fact is that most of humanity embraces his/her enslavement and illusionary state of freedom, not only due to ignorance but also because it helps avoiding any responsibility and/or

precious time consuming Self-work. We just do not want to know the unpleasant Truth that our minds are owned and controlled by Satanic dark occultists. The result of lifelong (trauma based) refined mindcontrol programming is a shut down of consciousness on a massive scale. As a result of that we see the rise of an engineered obedient slave with a total lack of any impulses of authenticity and free will, that operates from the vibration of fear.

Eugenics

One of the main game tools of the occult social engineers is Eugenics. Eugenics is an ancient satanic social ideology advocating higher rates of sexual reproduction for people with traits and characteristics desired by its proponents and, reduced rates of reproduction and sterilization for those with undesired traits and characteristics. This satanic practice is a primary religious tenet of the psychopathic rulers, who believe that it is simply "natural order" for the most ruthless of humans whose genes are the fittest to rule over the rest of the human herd. They truly see themselves as the chosen ones, as gods, because they are genetically superior over those they rule over. From that deceased psyche emanates the twisted belief that they can decide who is allowed to live and who must die. And this morbid form of human harvesting happens in plain sight for those who are willing to see the Truth.

Garbage in, garbage out

The occult ruling class discovered long, very long, ago how to influence the breeding process within entire populations for the purpose to make these populations easier to control. The controlling of human breeding is done by manipulation of the human consciousness. In other words; population control through mind control.

They are also creating humans with horrible traits and characteristics through the manipulation of human biology,

biochemistry, and consciousness via chemicals in our food/water and air. Exposure to insane levels of unnatural electro magnetic fields are interfering with, and changing human physiology for the worse. It is literally a form of "down" breeding since the tactics are clearly used to weaken and destroy the targeted population i.s.o. improving them. Of course this is part of the depopulation agenda as well.

A blatant indication of a deeply mind controlled human being, that is in a solid state of denial, is someone who claims that this is all just the result of normal evolution. Where eugenics is one of the pillars of Satanism, ego worship and self preservation is another one. Most people do not want to hear the ugly Truth that we are ruled by occultist with a Satanic mindset. Let alone consider the idea that the hijacked human consciousness is being morphed into a pseudo satanic, false self obsessed clone of its rulers through social engineering. But all you have to do is look around you to get a confirmation of this unpleasant Truth.

The end product of this programming is a self obsessed human being that is totally disconnected from reality, and full time occupied with (false) self serving activities. That product is lost in non relevant behavior and thoughts and is entirely establishment serving and non establishment threatening. The perfect obedient slave. Because this "product" is fully ego identified and self obsessed, it is unaware of its connection to the collective reality; it is operating by a consciousness that is in a shut down modus. On a deeper level this engineered contracted type of consciousness operates from the vibration of fear, self loathing and ignorance. And because of that it will feed (while being unaware of it) the ongoing manifestation of more chaos, control, and suffering in the "external" collectively manifested reality.

The current manifested reality that we as a collective experience, is the aggregate of the consciousness of the individuals. So in order to change the current external

reality, large numbers of people have to change their inner reality by (re) gaining the sacred knowledge of human consciousness and how it operates and manifests in accordance with Natural Law. Understanding the concept of non separation from the external reality, is an indication of knowledge of a True Self that operates from non duality.

War on the True Self

Through the relentless eugenics and trauma based mind control programs we see the clear emerging of a false self/ego identified, socially engineered woman and man that operate from the vibration of fear and that is stripped from "it's" genuine masculine and feminine modalities. The desired by products of this engineered madness are: further destruction of the sacred masculine and feminine dynamics; break down of traditional family bonds and the break down of the sacred emotional, spiritual and sexual bond between man and woman. (if you google sacred bond man and woman you will see mostly pop ups from Hillary Clinton)

The engineered woman is being culturally conditioned to no longer be attracted to any of the qualities of the genuine man. Such genuine qualities include high holistic intelligence, real/natural confidence emanating from healthy self-esteem, being very vocally opinionated, independence, a rebellious attitude towards authority and placing very high values on individual freedom. Such traits are, of course, seen as highly dangerous to the goals of the rulers, who wish to see society produce weak men, since weak emasculated men are very unlikely to resist the State, while the genuine man will rebel against it.

The socially engineered woman wants to be placated, revered and pampered through relentless princess programming at early age where they are programmed to: value only what can be gained for themselves through relationships with men, to seek only a man who can "provide for them". To place obsessive

importance on their looks to "lure" a male, to devalue the importance of their own intelligence, to seek money as main value system and to think that "no man is good enough" for them. This false self identified woman is motivated by the psychological desire for attachment and security. "Love" is seen primarily as a form of co-dependent permanence and attachment and a search for an illusionary form of security, rather than a deep autonomic healthy familial bond with another human being. Hence the irrelevant first and foremost question when a woman and a man meet for the first time: "What do you do for a living"?

This search for security in a man with money and/or good looks or the desire to be taken care of by someone else is an integral part of the ego-gratification. And self preservation is the primary pillar of a Satanic mindset. An inconvenient Truth that most will refuse to understand and/or admit. Most people prefer to attribute this to Darwinian logics when in fact this behavior is deeply ingrained social conditioning. The early princess programming, the trauma based outcome based education system, and the (neo) feminist agenda's have engineered the conditioned woman to love the State and her false self.

The State continually, through mass mind control, positions itself to be psychologically accepted as the provider, protector and husband. Especially the communist, marxist outcome based education slaughterhouse is a primary source of the engineered co dependence towards the State by both genders, partly through the insane prolonged compulsory separation from the parents.

Any parent who still continues to offer their children to these mind destruction factories without any significant resistance, is willfully facilitating the destruction of the authentic true Self of his/her child. The high sensitive, creative, and intelligent potential rebels against the increasing forms of tyranny are having severe problems to

adapt to this profound sick system. This highly precious generation for humanity is being "neutralized" by labeling their entirely normal response to the State run compulsory torture system with ADHD/ADD or other ridiculous "diagnoses". Engineered computer/gaming addiction and disgusting medication regimes will zombify them further. Ignorant parents and pseudo psychologists, acting as agents for the system, are enforcing the identification of the child with their so-called problem, thereby pushing the child further into an engineered structural state of psychological stress and self loathing.

Marriage with the State

Fake, codependent, and false-self "love"programming through Hollywood love story movies, television series, books, music etc, drive the conditioned engineered man and woman into an obsessive search for the perfect relation and/or marriage. Marriage brings an even deeper personal relationship into union with the state- which has been traditionally used and steered to the benefit of the female, in the case of divorce. Up to 45 % of marriage end in divorce and divorce courts rule drastically in favor of women, feeding the division between man and woman and feeding the female's craving towards the State. Money and the maintenance of lifestyle is valued above emotions, feelings and moral issues in relationships. This engineered system is structured in such a way that it breaks down both genders, the family tradition, and has a highly destructive impact on future generations as well.

Breeding out the rebel

The war on the genuine authentic men takes form of the emasculation of the human male, a process which breeds out the Sacred masculine dynamic (the willingness to stand up against any form of tyranny or bullies). The long-term agenda is to create a feminized man that will not ever challenge the state and to simultaneously condition women to view the state as a powerful husband/father figure. Rebellion against the state, a reverence for true freedom, and placing high value on personal

responsibility and individual rights, are traits that are bred out of humanity through refined eugenics because such traits are undesirable to the ruling class. Socially engineered traits are being bred into the new "man" and include: a fear and disinterest of going against the norm, docility, submissiveness and obedience to authority. Mind control based eugenics are designed to breed compliant slaves and to eliminate raw rebels, independent thinkers, and spiritually aware human beings.

One of the most fundamental aspects of these programs is to influence the vast majority of women to be attracted only to fake men who are the most fitting to perpetuate the system of human slavery in a one world government system. This engineered self obsessed man displays pseudo and feminized masculine characteristics. Although presented as a real man he will most likely be dead-on-day-one in a real survival scenario as he is completely unaware of world issues and of his own enslavement.

Idolized self obsessed sport heroes and "musicians" serve as effective programming tools for pseudo rebellion. If you google the word rebel today, you will see that nothing will pop up that comes near a real rebel. True rebellion against the state and healthy patriotism are being bred out human consciousness and the new socially engineered generations have no intention to search for it anymore, as it is an unknown concept for the disconnected and self centered obedient new world order slaves.

The rise of the engineered millennial human being.

Millennial human beings are the children of the post baby boomer generation and were largely "raised" by the state-run trauma based mind control education factories, television/computer, and pop culture. They have been conditioned by these systems to behave in ways that are complacent, compliant, unquestioning, unthinking, and

narcissistic.

They absorb huge amounts of television programming and/or computer gaming, consume poisonous genetically modified foods, are obsessed with escapist pursuits, conduct only vapid, inane conversations, and express an extreme lack of concern or interest in real world issues.

If they are confronted with someone who questions authority or addresses immoral behavior they will react either with apathy, aggressively, or will collectively ridicule the person that is expressing the normal moral behavior. This form of engineered policing of each other emanates from the fear of being expelled from the group. This fear based mind controlled form of self policing is the result of deep self loathing. The fear of being different is partly engineered through the compulsory education system that enforces traumatic abandonment issues by creating further separation from the parents, and through television programming and other media tools.

The millennial human beings are the absolute dream of the social engineers.

Androgenization

Another tactic in the gender war is the deliberate androgenization of society, which slowly homogenizes and gradually erodes the distinctiveness of both genders. When genders and gender roles become skewed and blended, strong men and women sharing cohesive familial bonds become an endangered species.

As a result of the breakdown of the sacred bond between man and woman, society becomes further weakened at a fundamental level and thus easier to control. Besides that it serves the depopulation agenda as well, just like the other tactics in the gender war. And again, anyone who attributes these engineered phenomena as natural and a result of normal evolution is clearly operating from an "owned" mind. People

call me a homophobic when speaking out about androgenization being hyped in the media as a tool for social engineering. This is exactly the goal of the social engineers; we should all accept these abnormal tendencies in society as normal; there is really no such thing as objective standards for right and wrong. Police each other with moral relativism; there is no Universal wrong or right.

Real external change comes ONLY from real change within

While the epitome of narcissistic paranoid psychopathy, embodied by Donald Trump, has been given the power over the controls of the most deadly and advanced nuclear war machinery the world has ever seen, the consensus in the majority of humanity is that we have to wait and see where it will go. Even under the so-called awake people are (or were) large numbers of people who consider the possibility that this time there might be a real chance for external "change". That apathetic and co-dependent reaction not only reflects a total lack of knowledge of the structures and dynamics of power in society, and the distractive role of the pathetic political arena's in general. It is also a disturbing indicator of the lack of rulership over, and knowledge of our individual consciousness.

Would it really be possible that the presidency of Trump was unexpected, totally unforeseen and unaccounted for by the genius occultist ruling class who OWN the whole stage for centuries, and are masters of deception for centuries? Most probably not, maybe for a tiny part, I would not bet on it anyway. But the most, if not the only, relevant question here is WHY all this is happening. As stated before we have to understand by experience that this system of chaos, control, fear, and human suffering is manifesting as a direct result of the dynamics of our own individual consciousness.

Real transformation requires TOTAL commitment

The current collectively shared reality, and the ever

increasing levels of control that come with it, is the manifest of the aggregate of our individual consciousness. Individual consciousness today is mostly operated by a false ego identified self, driven by fear and ignorance. Engineered fear and ignorance by the occult rulers who have kept the knowledge of human consciousness hidden (Occult) to humanity in order to be able to manipulate and control it. In this unique time of information we have a chance to regain that knowledge and create another external reality which is emanating from a consciousness that is operated by the True Self, driven by Love and true knowledge in accordance with Natural law.

Only with total commitment, deep Self work, time and energy, humanity can turn the tide. We need to radically change the way we think, the way we feel, and above all, the way we behave. True external change comes from within, not the other way around. Instead of focussing on, and trying to change the external, we should change our reality within.

That process requires the willingness for a deep psychological and physical surgery without anaesthesia that includes a slow but certain death.

Death of the engineered false self that operates from fear, and a breakdown of all attachments to the belief systems that caused the identification with it. Only then we can facilitate the rebirth of the genuine True Self that will be able to manifest a different external reality. An emerging external reality that represents anarchy because it is manifested from the vibration of Love and not from fear. Anarchy is the expression of True Freedom. The real fear for anarchy is the fear for True Freedom; the unknown. The social engineers worst nightmare.

Important note: this article is written in generalized terms for convenience, but I am referring to the majority of a gender group or certain engineered group tendencies in society

in general. Of course we see also authentic human beings operating from their True Self, but they are very rare in their presence.

To understand more about the war on human consciousness, eugenics, mind control and Natural Law, watch these seminars by Mark Passio. In the first controversial presentation, Mark Passio blows wide open the Dark Occult agenda of Neo-Feminism, which is being used to sow the seeds of discord between men and women in order to weaken the human species and ensure that future generations of humanity lack the traits necessary to resist tyranny. The destruction of gender roles and the familial dynamic are explored as major themes throughout Mark's hard-hitting lecture.:

On October 19th, 2013 Mark Passio presented his seminar "Natural Law: The REAL Law of Attraction" at the Yale Omni, organized by Arthur Capozzi & Christopher Capozzi, and produced for distribution by Tragedy and Hope dot com. This is the morning session, which will be followed in this playlist by the remaining 2 segments. Take the time to watch, study, and enjoy it.
