Catherine Austin Fitts has been following the story of the black budget, the missing trillions, and the back door in the US Treasury for decades. Now, her tireless work on this subject has been published in a comprehensive report from [Solari.com](#), “The Real Game of Missing Money” Volumes 1 and 2. Today James Corbett talks to Fitts about FASAB 56, the missing trillions and the financial *coup d'état* which has liquidated the wealth of the United States and shipped it out the back door.
