My talk with Ole Dammegard and Cody Snodgres about the power of choosing the light, and the great liberation in seeing the darkness, and harnessing our spiritual and physical power to shine the light of truth onto and into it.

*Once upon a time in a place not far from here*

There were so much loneliness, despair and oh so much fear.  
Darkness ruled all over the land, there was lightning in the  
Sky  
Causing wars and separation with no one knowing why.

These evil times raised leaders disguised as Kind and True  
Hiding the Truth in misty fog so only very few people knew  
Controlled by an Elite few manipulating you and me  
Closing out the Light and Power that can make us all be free.

Wake up! Wake up! We've gotta wake up!  
Wake up! Wake up! We've gotta wake up! Now!

Forced by invisible powers, demanded to conform  
Into shapes unknown to Mankind making him totally abnormal,  
Drowned in debts and sorrows blaming others for their lot  
Made Man believe to be inferior, feeling tiny like a dot

But then came Times of Change covering countries and their  
towns.

Few became many and soon the prison walls came down  
Starting with the men in the mirrors staring right back into  
their eyes  
Understanding that this was a chance to stop those hideous  
lies.

Unhappiness is merely an Illusion of misery  
Based on brainwash and a misconception of True Reality.  
From now on let's build bridges between our Souls and Hearts  
So we together can rejoice when the final change comes to its  
start.

Turning prison into Paradise may seem too much to achieve  
But believe me, it only takes One Strong Spirit to be Free  
The True Power of a pyramid is never at the top  
Instead, it is We The People that can make this global game  
stop.

Wake up – Wake up – we've gotta wake up – it has to stop

*So wake up – Wake up – you've gotta wake up – to stop  
So wake up – wake up – It has to stop – We've gotta wake up  
Now.*
