A “Climate Lockdown,” to extend into perpetuity, reveals the true nature of #COVID1984: normalization of the police state, “climate tracing” and now “climate lockdown” as technocrats shove society towards their post-human future.

Their hand is forced as the Global Warming narrative breaks down and the Modern Grand Solar Minimum goes mainstream.

In their panic, they are seizing for total control – we are at a demarcation point: we either fight now, or forever lose the opportunity. Christian breaks it down on this Ice Age Farmer broadcast.
