The livestream session begins sometime after the 14 minute mark.

[Dr. Astrid Stuckelberger](#) is an interdisciplinary scientist at University of Geneva and Lausanne, Switzerland. She is an invited professor in European universities, an author and international public speaker

Dr. Stuckelberger begins by giving an overview of her

extensive background working with WHO (World Health Organization) over several decades and how she came to understand the way the United Nations and WHO work.

“I’ve been doing research/training my whole life...Since very early on I was in WHO...I was taken in a geriatric unit with WHO-collaborated studies at the hospital in Geneva, Switzerland to do research. And research was always more and more for political decisions. So since the 90s I’ve been deputy director of the Swiss National Program of Aging – 12 million francs and we had to do science for politics, for politicians...”

Speaking of Bill Gates’ GAVI (Global Alliance for Vaccines and Immunization), based in Switzerland:

*“Switzerland is the center...of a lot of corruption. Because we have one of the most important NGO – that’s GAVI. Global Alliance Vaccine Initiative, which the foundation Bill Gates has. Which has – I tell you I have the papers – **total immunity**. Total, total. They can do drug trafficking, they can do whatever they want. The police can not come and look into their computer. “*

Critical information is revealed concerning the web of global control that Bill Gates, GAVI and WHO have created – and how they have set themselves up as dictators with the special status of being “criminally immune”.
