“Every time I hear a political speech or I read those of our leaders, I am horrified at having, for years, heard nothing which sounded human. It is always the same words telling the same lies. And the fact that men accept this, that the people’s anger has not destroyed these hollow clowns, strikes me as proof that men attribute no importance to the way they are governed; that they gamble – yes, gamble – with a whole part of their life and their so called ‘vital’ interests.”

~ Albert Camus (1978). “Notebooks, 1935-1942”, Harcourt

Is it any wonder that the entirety of our current predicament rests on the lies of the governing system and its ruling accomplices? American governance, all governance in fact, is and has always been susceptible to seeking power and control by means that prove very harmful to the general population. Conspiracy is always evident, and has led to abuses that have included theft, war, killing, imprisonment, torture, and in many cases genocide. In the U.S. today during this false flag event called a ‘virus pandemic,’ we have already seen massive theft in the form of multi-trillion dollar money printing,

imprisonment of much of the country through lockdown and isolation mandates, killing of the old and innocent through criminal medical care or lack of medical care, medical martial law, and torture in that many died horrible deaths due to state regulations and procedures. This is a war, but in this case the war is openly being waged against the American public by the very government that most support. Americans have voluntarily allowed its existence, and this is a travesty.

What is likely unknown to most is that this nightmare is just beginning, while the average citizen is still thinking about or hoping for a return to 'normal.' Hope and prayer without action will accomplish nothing, but little if any mass dissent and disobedience are evident at this time. The reinstating and acceleration of the tyrannical measures we have seen to date are just around the corner, and with the 'perfect storm' of a very weak and unhealthy society with highly compromised immune systems, during what will probably prove to be an especially severe flu season, the sickness and death will all be blamed on a virus that has never been shown to exist. This is astounding, because this information is readily available for any that choose to see, but mass blindness seems to be a real risk we face today. This public blindness is due to ignorance and indifference, and that combination is a recipe for disaster.

There are many agendas being pursued by the self-claimed elites, but the core element of this takeover of society is based on centralizing all power in the hands of the few so that the masses and the world economy can be controlled from the top. This has always been about power and control, and has never been about any risk due to any virus. The fact that no such thing as 'Covid-19' has ever been isolated or identified, is staggering to say the least, but this ruse has been fully accepted by the herd, so much so that their very lives and livelihoods have been purposely destroyed due to voluntary compliance. Most have concentrated on being obedient slaves,

while becoming fearful of their own family, friends, and neighbors in order to protect themselves from a 'deadly virus' that according to the perpetrators of this fraud has a stated survival rate of over 99.8%. In other words, there is no virus threat.

This conspiracy has but one main goal, and that is securing the centralization of power and control over all people and economies in order to achieve global dominance. It is being labeled as 'The Great Reset,' as described by the very evil Klaus Schwab who is the founder and Executive Chairman of the World Economic Forum. He is tied to Bill Gates, George Soros, and the rest of these inhuman monsters. His and the ruling class 'elites' plans for our future are ominous, and currently being accepted by the bulk of this pathetic society. Here are some of his predictions for 2030, which include the United States surrender to the United Nations:

1. *"You'll own nothing" – And "you'll be happy about it."*
2. *"The U.S. won't be the world's leading superpower"*
3. *"You won't die waiting for an organ donor" – They will be made by 3D printers*
4. *"You'll eat much less meat" – Meat will be "an occasional treat, not a staple, for the good of the environment and our health."*
5. *"A billion people will be displaced by climate change" – Soros' Open Borders*
6. *"Polluters will have to pay to emit carbon dioxide" – "There will be a global price on carbon. This will help make fossil fuels history"*
7. *"You could be preparing to go to Mars" – Scientists "will have worked out how to keep you healthy in space."*
8. *"Western values will have been tested to the breaking point." – "Checks and balances that underpin our democracies must not be forgotten"*

He is also a proponent of transhumanism, and has said that nothing will ever return to the 'broken' sense of normalcy

that prevailed prior to the crisis because the “coronavirus pandemic marks a fundamental inflection point in our global trajectory.” Schwab stated this even though admitting that: “Unlike certain past epidemics, COVID-19 doesn’t pose a new existential threat.” Covid-19 never existed, and never was a threat, but has been the tool used to advance a new world order, or as he calls it, the “Fourth Industrial Revolution.”

Concerning the melding of machines and humans, transhumanism, Schwab spells it out in more detail in *“Shaping the Future of the Fourth Industrial Revolution:”*

Fourth Industrial Revolution technologies will not stop at becoming part of the physical world around us—they will become part of us. Indeed, some of us already feel that our smartphones have become an extension of ourselves. Today’s external devices—from wearable computers to virtual reality headsets—will almost certainly become implantable in our bodies and brains. Exoskeletons and prosthetics will increase our physical power, while advances in neurotechnology enhance our cognitive abilities. We will become better able to manipulate our own genes, and those of our children. These developments raise profound questions: Where do we draw the line between human and machine? What does it mean to be human?

“We the people” are not a part of this agenda, and are not included in this planning of a new society. We are simply the cattle being prodded and used to sustain the masters. The public makes no decisions, as this plot for gaining technocratic control over all of us has been in the works for many years, but is now going forward at an unimaginable pace, all due to the Covid lie. Everything was planned long ago in secret, but now is being completed and telegraphed out in the open for all to see. This is due to the fact that these manipulating rulers have no fear of the people at large, and believe them too lazy and ignorant to grasp the scope of this totalitarian takeover. Schwab admits this when he writes:

*“We must re-establish a dialogue among all stakeholders to ensure mutual understanding that further builds a culture of trust among regulators, non-governmental organizations, professionals and scientists. The public must also be **considered**, because it must participate in the democratic shaping of biotechnological developments that affect society, individuals and cultures.”*

This fake pandemic has supplied what the ruling class calls an **opportunity** for a reset of society. When the chosen masters call what they claim to be a deadly risk to all mankind an opportunity, one should stand up and take notice, and should immediately understand that we are all the victims of a terrible coup meant to enslave humanity.

Lockdowns, isolation, masks, economic destruction, digitized monetary restructuring, deadly vaccines, gene-controlling technology, transhuman experimentation, total surveillance, and a totalitarian police state are what the masters you have chosen want for all Americans. They are blatantly claiming that this is the new normal they have chosen for you, but you have a choice. Accept all you are being told and become a slave, or realize that the only pandemic is this claimed “Great Reset” that is being used to eradicate you. Acceptance can only lead to hell in a world consumed by evil.
