Government & the UFO File

"The breakaways are trying to take over. They're trying to step out into the open — if you look at it a certain way. Basically, what we're seeing is a federal government that's been captured by a group of radicals that have no connection to the history or culture of this country." ~ Joseph P. Farrell

## The Exotic Technology Card

Oxford scholar and Giza Death Star book series author Dr. Joseph Farrell returns to join Dark Journalist Daniel Liszt for a spellbinding look into the bizarre geopolitical hurricane gaining force as we head into 2022.

He sees major moves in the HotZone of Cuba where ancient ruins and covert operations like Havana Syndrome run rampant.
