DEEP STATE BLASTS OFF INTO SPACE

Dark Journalist welcomes back Oxford Scholar Dr. Joseph Farrell for a deep dive on Covert Space Wars and Deep State players as the UFO XTech battle rolls out behind the scenes with CIA soft disclosure being pushed in public.

They'll also cover strange reports of weather modification and the destination of the mysterious Nazi Bell weapons project.

From TCTL editor: A fascinating discussion that touches on many subjects, including

- the current COVID op
- the flip-flopping global and US narratives
- hidden technologies & hidden history
- narratives that are currently being prepped, including UFO false flag narratives
- who is Elon Musk and possible origins of SpaceX
- Trump, the Space Force, and hidden existence of already-

developed technology

- dangers of having all currency in the cloud (crypto)
- the weaponization of space
- what is the moon?
- hidden history of humanity
- what is our connection with Mars?
- the state of US political situation and a possible civil war
- weather warfare and unfolding events in China

and much more
