

# David Icke: How Consciousness Works

[Zohar StarGate TV](#)

<https://youtu.be/Fs6Ik-XilDc?list=WL>

Society cannot function as it has functioned so far when we shift our consciousness. There has to be a system failure in the vibrational therefore digital therefore holographic world. And we're being given the opportunity now— with this truth vibrations, and as it moves on, and it's getting quicker all the time, the quickening— to open the door, to open the lock, to open the key. Presented by David Icke
