## About:

**We want to be...free.**

- Free to work.
- Free to travel.
- Free to learn.
- Free to question.
- Free to speak.
- Free to pray.
  
- Free to say no.

**The mandates are un-American.**

Stop the mass firings.

Stop segregating by vaccination status.

Stop calling Americans “unpatriotic” for making a personal medical choice.\

**We’re coming home.**

Americans of every class and color.

Democrats and Republicans.

Vaccinated and unvaccinated.

United we stand, in peace we march.

## **The Plan**

We will start the march at 11:30am at the Washington Monument and we’ll walk together to the steps of the Lincoln Memorial (approximately 1 mile).

At the Lincoln Memorial, a wide range of featured guests will be waiting.
