Did BlackRock, Vanguard, or StateStreet have anything to do with the Hawaii fires?

Jeff Bezos, Oprah Winfrey, Jimmy Buffett and Nvidia cofounder Jensen Huang are among the billionaires with land or homes on Hawaii's second-largest island.

Lots of money will be dedicated towards "rebuilding".

Did they just reset an area for a Smart City?

Jeff Bezos alone established a \$100 million Maui Fund to "help Maui get back on its feet now and over the coming years."

The top institutional investors of Amazon are BlackRock & Vanguard...

So very nice of them... :/
