Disney Cast Members get support from Firefighters and Nurses  
Coast to Coast – Set to Gather & Stand United Against Vaccine  
Mandates & For Freedom of Choice

*“After our first march through Disney World last week we  
heard from Firefighters Unions, Police officers, Healthcare  
workers, especially nurses who all expressed outrage that  
their employers are acting like they own the bodies of their*

*employees. We are not their slaves. We have rights, and the most important right is the governance over our own bodies” says Disney Cast Member and Event Organizer Nick Caturano.*
