

Dissidents in the Age of Vaccines

Dissidents in the Age of Vaccines

by Polly St. George, *Amazing Polly*

December 17, 2020

I start with Public Health officials making a startling admission, then I move to 4 more examples of persecution of people who are questioning the government's Big Pharma response to COVID, and then I go through who "they" are.

Who is it behind the persecution, censorship & vaccine narrative???
