The Truth About the August 1st Anti-Lockdown Protests in Berlin

On August 1, 2020, hundreds of thousands of people gathered in Berlin, Germany to protest mask mandates, lockdowns, and the growing tyranny of COVID.

The media attempted to paint the attendees as right-wing extremists and nazis.

This documentary shows a different story.

The next big demonstration is planned for August 29th and is called “Berlin invites Europe – Festival for freedom and peace”.
