After being denied publication by three major journals, the Danish group has finally been published in the Annals of Internal Medicine. You won't be surprised by what they found if you are part of this community. We now have some high quality evidence on our side. Check out the paper here:

["Effectiveness of Adding a Mask Recommendation to Other Public Health Measures to Prevent SARS-CoV-2 Infection in Danish Mask Wearers. A Randomized Controlled Trial"](#)

Dr. Kaufman will be speaking at the [World Freedom Alliance Rally](#) in Copenhagen, Denmark on Saturday, November 21, 2020.
