October 1, 2020

“...once those nanoparticles go in, there’s no detoxing from them.

There’s no getting them out of there.

They combine with your DNA and you’re suddenly programmable.

And with the proposed 5G networks, the body would be an antenna where you could be controlled from outside of yourself.

That’s kind of worst case scenario.

So that’s what bothers me about the vaccine.”

~ Dr. Christiane Northrup
