

Dr. Joseph P. Farrell & Catherine Austin Fitts: Cui Bono Coronavirus?

[The Solari Report](#)

Catherine Austin Fitts and Dr. Joseph P. Farrell discuss the “deliberately created pandemonium and media driven hysteria” with speculation about financial reset, a long-term strike against China, the global health issues caused by the cocktail of “spraying... nanotechnology and crap... and vaccines...”, biowarfare, and coronavirus as a cover story.
