In this discussion, Dr Leland Stillman explains how he went undercover with *Project Veritas* to expose the corrupt practices and general fraud perpetrated by the major pharmaceutical firms, and how the industry routinely covers-up a growing number of vaccine injuries and deaths. This informative interview is essential in understanding the scale of corruption when it comes to the Covid-19 'global pandemic.'

The following interview is from [Childrens Health Defense](#) CHD.TV program, *Doctors & Scientists* – Episode 11 hosted by Dr Brian Hooker with guest Dr Leland Stillman, MD.
