## Brief Excerpts

Catherine Austin Fitts:

*"Covid-19 is a marketing op for what the central  
bankers are up to."*

*"Love is the electricity that allows intelligence to  
connect. And so, there's no such thing as shared  
intelligence without love."*

Dr. Peter Breggin:

***“The people who rise to the top...they often have two qualities...  
First thing, like you said, is they lack empathy.  
But they also lack critical intelligence.  
And that’s one of the reasons you can’t trust the media folks.”***
