9/7/2020 TCTL Update: Source video at Daystar has now been banned on YouTube.

[As a service to protect truth from censorship, mirrored copies are available at Truth Comes to Light [BitChute](#), [LBRY](#) & [Brighteon](#) channels. All credit goes to the original source of this video.]

Dr. Rashid Buttar and Del Bigtree uncover the dangerous consequences of wearing a mask and the big lie that's being told about a coming second wave.

TCTL Editor's Note: To view the entire video, which also includes Del Bigtree, the source requires you to create an account with their Christian ministry website. The clip above is available on their public youtube channel. To view the entire interview, first create account by supplying them with an email address, then enter this url to find the video:
