IT IS TIME TO MEET THE MOMENT.

Federal government intrusion has gone TOO FAR.

It is time for Minnesota to become a Health Freedom Sanctuary State!

- BANISHMENT OF VACCINE PASSPORTS
- BANISHMENT OF EMPLOYER VACCINE REQUIREMENTS
- BANISHMENT OF CHILD MASK POLICIES
- PERMANENT BAN ON EMERGENCY LOCKDOWNS

The federal government will not usurp our powers. Minnesota must protect itself against such tyranny. It's time to meet the moment. I'm calling on all Republicans right now, stand up and be counted. This has gone too far. It hasn't worked, and we must defend health freedom. We're welcoming Democrats to stand up against this and take back their state's rights. Walz's silence is deafening on these overreaches.
