A Verse for Our Time

by **Rudolf Steiner** (1861 – 1925)

November 1917

*We must eradicate from the soul
All fear and terror of what comes towards man out of the
future.*

*We must acquire serenity
In all feelings and sensations about the future.*

*We must look forward with absolute equanimity
To everything that may come.*

*And we must think only that whatever comes
Is given to us by a world-directive full of wisdom.*

*It is part of what we must learn in this age,
namely, to live out of pure trust,
Without any security in existence.*

*Trust in the ever present help
Of the spiritual world.*

*Truly, nothing else will do
If our courage is not to fail us.*

*And let us seek the awakening from within ourselves
Every morning and every evening.*
