I hosted a live webinar on YouTube on April 27th, 2022.

I discussed if the Phylogenetic Tree Proves the Existence of SARS-COV-2. Tune in to find out.

I also held a Q&A session; topics include:

- My rebuttals to the anti-vax community
- Koch’s Postulates
- Changes in smell
- Botulism
- Vaccines & vaccines in children
- My opinion on German New Medicine

I also referenced the following paper by James Lyons-Weiler in my discussion; it can be found at the link below:

Truth Comes to Light editor's note:

College term paper referenced by Dr. Cowan was actually a published paper by Eleni Papadopulos-Eleopulos, et al. (Dr. Cowan made this correction at the start of a video on the snake venom controversy, streamed on 4/22/2022.)
