**Rational Thinking & How Do Virologists know there is a Variant? Webinar Friday, September 10th, 2021**

by [Dr. Tom Cowan](#)

September 10, 2021

In this webinar, I discussed rational thinking and how a virologist knows there is a variant.

I also did a Q&A Session, topics included:

- Shingles & Acyclovir
- Anti- Virals
- EMF Exposure
- Ivermectin & Hydroxychloroquine
