July 2, 2021

Video available at Tom Cowan BitChute channel.

DR. TOM COWAN LIVE WEBINAR- Q&A SESSION FROM JULY 2ND, 2021

Q&A touches on:

- what do we actually know about “covid vaccine” content
- do these “vaccines” contain magnetic substances
- Dr. Cowan’s experience with colloidal silver and vitamin C
- toxic pollutants, the increasing electrification of the earth and how these affect our oxygen levels
- damage to our mitochondria by glyphosate, antibiotics, heavy metals and other toxins
- what is really happening in so-called auto-immune disease
- what so-called “covid” symptoms may be caused by
- the coherence of water
