Hurricane Harvey is the latest example of covert weather warfare being waged on completely unsuspecting populations. Increasingly catastrophic climate cataclysms are being orchestrated and manipulated by an ever more desperate and aggressive global power structure. Rapidly accelerating climate and biosphere collapse is not somewhere on the horizon, it is here, now. Climate engineering is further fueling the unraveling of the remaining web of life on our once thriving planet. With undeniable facts and film footage the video below fully exposes the manipulation of Hurricane Harvey.

Sharing credible and verifiable data is absolutely crucial in the fight to expose and halt the ongoing climate engineering assault. When incorrect or false data is propagated, the critical cause of exposing and halting climate engineering is harmed. Investigate, become familiar with the most inarguable building block facts, and make your voice heard.
