Would give this 0/10 if I could jcg-91544 10 October 2021

Fauci is a clown who's been on every side of every covid related issue. A fish out of the water flip flops less than this ...person

Let's go Brandon!

Just plain bad. mikejt-34418 10 October 2021

Politics aside, what a horrible movie about a guy pretending to be a doctor. Why did this even get made? Who asked for this?

Pompous and Delusional weareclearlyfamous 10 October 2021

The only thing this man loves more than lying to the public is being in front of a camera.
