## FDA to Disclose Pfizer Vaccine Data...in 2076?

FDA to Disclose Pfizer Vaccine Data...in 2076?

by <u>Del Bigtree</u>, The HighWire November 20, 2021

ICAN Attorney, Aaron Siri, Esq. breaks down three big ICAN Legal Updates.

In response to a recent ICAN petition CDC revealed it didn't have records of a single documented case of a person with natural immunity to Covid, transmitting the virus to another.

Then, The Biden Vaccine Mandate is Stayed.

Finally, the FDA requested a federal judge give it until the year 2076 to disclose all of Pfizer's Covid Vaccine Data.

That's 55 years!
