Dan Olmsted would have written, "Oh frabjous day!" Below are two sentences you need to Tweet, Facebook, Insta and email to everyone you know OUTSIDE of our AofA world. It sums up the "Ah ha" moment that it took many of us years and a severely injured loved one to reach. Reuters calls this a "3 minute read." 3 minutes that could save your life.

[AstraZeneca to be exempt from coronavirus vaccine liability claims in most countries Ludwig Burger, Pushkala Aripaka](#)

"AstraZeneca has been granted protection from future product liability claims related to its COVID-19 vaccine hopeful by most of the countries with which it has struck supply agreements, a senior executive told Reuters."

... "This is a unique situation where we as a company simply cannot take the risk if in ... four years the vaccine is showing side effects," Ruud Dobber, a member of Astra's senior executive team, told Reuters.
