What is the state of affairs within the ranks of industrialized / militarized societies? It is a rapidly unfolding Orwellian nightmare come true. Up is down, day is night, black is white, and all the while the web of life is being looted, plundered, and pillaged into total collapse. The so called "experts" have betrayed us all and, unfortunately, the majority of the population have been all too willing to go along. What is unfolding on the wider horizon? The latest installment of Global Alert News is below.

Have those in power now successfully broken down the will of the population to even face reality? Or will rapidly deteriorating conditions finally fortify a driving sense of purpose which will awaken the masses at this late hour? [All of us are needed](#) in this critical battle to [effectively and efficiently sound the alarm](#).
