Helpful Reminders to Prepare for the March and Rally

- It's not too late to jump on the bus! Buses are available from a number of stops in New York and New Jersey for same-day, roundtrip transportation to Washington, D.C.
- Dress for cold weather! Temperatures are expected to be in the 30s and the entire event is outdoors. Wear layers, warm clothing/socks/shoes and be sure to bring

hats, gloves and scarfs!

- As of January 15, 2022, [Mayor Bowser enacted order 2021-148](#) for the District of Columbia that requires citywide vaccination proof to enter most indoor facilities including restaurants, coffee shops and hotels. And, the event permit only allows for two food trucks on premise and the crowd size will far exceed their capacity. We recommend you bring a thermos of tea or coffee, water bottles, a bagged lunch and snacks for the day or be prepared to travel 15-20 minutes into Virginia for food and lodging.
- Mayor Bowser also enacted orders that require masks if outdoors in large group settings throughout the metro DC area. Please understand we are not suggesting you wear a mask but be prepared to be asked by local authorities and plan accordingly. A scarf around your face to protect you from the blustery cold may be helpful for many reasons.
- The number in attendance is expected to be massive! If you're further from the stage, you'll have the opportunity to tune in to hear the speakers on your phone if service permits, or you may want to consider bringing a battery-powered radio to also tune in over a local radio station to hear the speakers.
- If you see something, say something. This is a peaceful event. There will be no tolerance for anything other than peaceful participation. If you see anything concerning, please remain calm. Report any issues or suspicious activity immediately to the local law enforcement on hand, private security or event volunteers. A private security firm has been hired and is working hand-in-hand with the local DC Metro police to ensure this is a peaceful and successful event.
- Mobile restrooms will be provided but with large crowds there could be long waits.
- If traveling out that same afternoon, please be mindful of the large crowds and congestion and give yourself

plenty of time to catch your bus or flight.
