

Ghost Town NYC – What's Really Going on at the Javits Center?

[Jason Goodman](#)

<https://youtu.be/Xp2hVSUU0uo>

Jason Goodman walks the streets of NYC to see what the truth is about the local spread of COVID-19.

Official news reports indicate the U.S. Army Corps of Engineers has begun work at the Javits Center, but we still have not seen indications that NYC hospitals are beyond capacity. What is really going on?
