All the Hemispheres

All the Hemispheres

Leave the familiar for a while. Let your senses and bodies stretch out Like a welcomed season

Onto the meadows and shores and hills.

Open up to the Roof. Make a new water-mark on your excitement And love.

Like a blooming night flower, Bestow your vital fragrance of happiness And giving Upon our intimate assembly.

Change rooms in your mind for a day.

All the hemispheres in existence Lie beside an equator In your heart.

Greet Yourself In your thousand other forms As you mount the hidden tide and travel Back home.

All the hemispheres in heaven Are sitting around a fire Chatting

While stitching themselves together

Into the Great Circle inside of You.

~ Hafiz, Persian poet & mystic
