Some of the most powerful and influential people in the world are meeting in secret right at this very moment. Political leaders and experts from industry, finance, academia and the media are invited to take part in the conference, about two thirds of the participants come from Europe and the rest from North America; approximately a quarter from politics and government and the rest from other fields. In this video Dan Dicks of Press For Truth speaks with Charlie Skelton a veteran when it comes to exposing the Bilderberg group.
