

In the Downpour of the Rain

In the Downpour of the Rain

by [Zen Gardner](#)

*I see it in the faces
I feel it in the earth
The yearning ever deeper
Like the pains before a birth*

*The living sense, the sadness
Their eyes are filled with tears
As our lonely, longing people
Are fending off their fears*

*The heart of man grows tender
Caring more for those in pain
We're covering our loved ones
In the downpour of the rain*

*The night is soon approaching
But it must, as will the day
Be brave and always steadfast
Love will wipe the tears away*

*Learning, ever learning
Seeing consciousness arise
While ever dissipating
Is the veil of woven lies*

*We cannot come to fathom
Or think to just arrive
This life is for the living
Yet we onward choose to strive*

For answers to our questions

*The thirst cannot be slaked
Our hunger knows no bound'ries
We're born to be awake'd*

*It seems we're in a process
Conscious evolution's own
To realize just who we are
And my, the way we've grown*
