## In the Downpour of the Rain

by [Zen Gardner](#)

*I see it in the faces  
I feel it in the earth  
The yearning ever deeper  
Like the pains before a birth*

*The living sense, the sadness  
Their eyes are filled with tears  
As our lonely, longing people  
Are fending off their fears*

*The heart of man grows tender  
Caring more for those in pain  
We're covering our loved ones  
In the downpour of the rain*

*The night is soon approaching  
But it must, as will the day  
Be brave and always steadfast  
Love will wipe the tears away*

*Learning, ever learning  
Seeing consciousness arise  
While ever dissipating  
Is the veil of woven lies*

*We cannot come to fathom  
Or think to just arrive  
This life is for the living  
Yet we onward choose to strive*

*For answers to our questions*

*The thirst cannot be slaked  
Our hunger knows no bound'ries  
We're born to be awake'd*

*It seems we're in a process  
Conscious evolution's own  
To realize just who we are  
And my, the way we've grown*
