January 25, 2022

5G & wireless expert and attorney, Dafna Tachover Esq., breaks down why 5G technology could have a catastrophic impact on important landing equipment for airplanes, and its proven side effects on the human body.

*[Dafna **Tachover** is an attorney in both New York and Israel, has an MBA and is the founder of [We Are The Evidence](#), an advocacy organization for the protection of the rights of the many people who have been injured by wireless technology radiation.]*
