

James Corbett: Are Petitions and Protests The Answer?

[Are Petitions and Protests The Answer?](#)

by [James Corbett](#), [The Corbett Report](#)

March 2, 2022

Given recent events in Canada and the gathering convoys in New Zealand and the US and elsewhere around the world, it's a good time to ask: are petitions and protests and lawsuits the answer to our problems.

Long story short: they're not *the* answer, but they can serve a practical purpose on the way *toward* the real answer. Short story long?
