## James Corbett: Science Says

<u>James Corbett: Science Says</u>

### **Science Says**

by <u>James Corbett</u>, <u>The Corbett Report</u> April 9, 2021

The mouthpieces of the scientific establishment have identified the latest global security threat: antiscience. So what does that mean, exactly? Whatever they want it to mean, of course! This week on The Corbett Report podcast, James explores the game of Science Says that the self-appointed experts are playing with the public and outlines how that game is about to get a whole lot darker.
